

Chapter 18 Newton's 3 Laws Project

Students are to make a short video demonstrating 1 or Newton's 3 laws. In part 1 of the video the student needs to read the law they plan on demonstrating. In part 2 of the video students are to video the example of Newton's Law. In part 3 of the video students are to explain how their example demonstrated Newton's Law. The video must be under 2 minutes in length and no one can be harmed in the making of the video. Extra credit will be given for thinking outside the box with your example.

Students are to upload the video to their HMS Google Drive and then attach it to the assignment in Google Classroom.

Rubric

Turned In on Google Classroom	5 points
Stating Newton's Law	25 points
Example of Newton's Law	25 points
Explanation of how your example demonstrates Newton's Law	25 points
Video under 2 minutes	10 points
Video quality	10 points
Creativity - extra credit	15 points
